MACRAME COLOUR BLOCK KEYCHAIN

Materials needed:

- Small keychain clip
- 1ft 5mm recycled cotton rope
- 1.5mm recycled cotton rope in 3 colours, 2ft of each colour
- Scissors

Knots used: Gathering (wrap) knot

- At the halfway point of your piece of 5mm rope and using colour A of your 1.5mm rope, make a gathering knot of approximately 1 ½".

- Starting at the top of your first gathering knot and working the opposite direction, use colour B to make a second gathering knot.

- Thread the 5mm rope through your keychain loop so that the loop is at the halfway point of your two gathering knots.

- Use colour C and tie a third gathering knot to combine the two strands of 5mm rope together.
- Trim the ends of the 5mm rope and brush out.
